We invest many resources in being abreast of developments and personally chase our suppliers to sign CSR agreements so that we can be sure that they live up to our high requirements and comply with our supplier manual. All this in order to be sure that our products live up to consumer expectations for genuinely good quality, zero hazardous substances and high level of safety.

BRANDS **4** KIDS®

WE ARE ONE STEP AHEAD WHEN IT COMES TO CHILDREN'S WEAR

RECYCLED RAINWEAR

RECYCLED POLYESTER

CeLaVi brand aspires to create garments that are not only focused on well-being for our children, but our Planet Earth too.

Our rainwear materials are made of recycling used plastic into an entirely new, wearable product.

All CeLaVi garments are tested and approved.
